

Warren, Paula Diane - Murder 7/6/1985

On July 6, 1985 the partially clad body of Paula Diana Warren, a 17 year old white female, was discovered in tall grass near a bridge in the 1000 blk of East Veteran's Memorial Blvd. (Business 190). It was later determined that the victim had been murdered.

Paula's family advised that she had called from California and advised that she intended to return to Killeen. Paula called again on July 5, 1985 and advised she was coming to Killeen.

Paula traveled extensively, frequently by hitchhiking. Witnesses reported seeing a shiny black newer model truck tractor with a sleeper pulling a white box type trailer parked near the area where Paula's body was found.
